Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Chance was my first love - my only love - my soulmate. I was sure we'd be together forever.but, on the day I discovered I was expecting his baby, before I could give him the news, he vanished without even saying goodbye. All he left was a note and a charm bracelet in a manila envelope. I was devastated, destroyed, but determined to go forward with the pregnancy even if I have to raise our child on my own. Fast-forward ten years to the anniversary of the day he left - Chance is back and he's looking for me. He says he still loves me, that he never stopped. I know I never stopped loving him, but can I trust him not to hurt me and our son? Will You Still Love Me Tomorrow is a sweet, slightly spicy tale of second chances, soulmates and true love. It was previously released as a short story and has been revamped, refreshed, lengthened and re-released with a new updated cover under a different pen name. Has some language and adult situations.
